MEMORANDUM FOR THE NATIONAL FOREIGN INTELLIGENCE BOARD

SUBJECT: My Annual Report

I very much appreciated the help that you and your organizations provided a year ago in the preparation of my first report as DCI on the Intelligence Community to the President and the Congress. Preparation of this year's Annual Report is now underway, and I would be grateful if you and your organizations would assist with input and/or review as requested. The staff of my Deputy for Resource Management will be in touch with you shortly on specific needs.
